

# LOCKING COVER

## For Thermostats

The LOCKING COVER can be used to protect a room mounted enclosure from physical damage or tampering. It includes a clear vented cover and two keys to provide easy access to the enclosed device. The plastic is clear, so mechanical and digital functions are protected but remain visible.

**Applications:** Gymnasiums, Schools, Prisons, Offices

The LOCKING COVER is covered by ACI's Five (5) Year Limited Warranty. The warranty can be found in the front of ACI's Sensors & Transmitters catalog, as well as on ACI's website, [www.workaci.com](http://www.workaci.com).
