ACI LIMITED WARRANTY

Automation Components Inc. (hereafter "ACI") provides either a five (5)-Year Limited Warranty or a two (2)-Year Limited Warranty to the initial purchaser of any product manufactured by ACI based on the product category. Specific warranty durations can be found on corresponding data sheets at www.workaci.com. The term "product manufactured by ACI" means any sensors and transmitters assembled by ACI, even if such sensors and transmitters include component parts manufactured by companies other than ACI. For any part or product sold by ACI, but manufactured entirely by a company other than ACI, whether or not relabeled with ACI product information or product number, or repackaged with ACI information, ACI provides a two (2)-Year Limited Warranty to the initial purchaser. With regard to parts or product manufactured entirely by a company other than ACI, if the original manufacturer's warranty is longer than 2 years, it will be assigned to the initial purchaser, to the extent such original manufacturer's warranty allows for such assignment.

During the Limited Warranty periods expressed above, ACI warrants that beginning on the date the initial purchaser receives products from ACI, such products will be (i) free from defects in workmanship; and (ii) free from defects in materials. The term "free from defects in workmanship" means that all products will conform to product specifications and function as described in catalogs, sales brochures, or other materials supplied by ACI. The term "free from defects in materials" means that the product will be free of material defects.

In the event any defect(s), as defined above, manifests itself or is discovered within the five (5) or two (2) year limited warranty periods set forth above, ACI will, at its sole discretion, do one of the following:

- ① Repair the defective product;
- ② Replace the defective product; or
- ③ Refund to the purchaser, the amount charged by ACI for the original product.

The choice of which of the above remedies will be provided to the purchaser by ACI, pursuant to this Limited Warranty, shall be solely in the discretion of ACI.

THESE FIVE (5) YEAR OR TWO (2) YEAR LIMITED WARRANTIES SET FORTH ABOVE, PROVIDED TO THE INITIAL PURCHASERS OF ACI PRODUCTS, ARE MADE IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY. ANY OTHER IMPLIED WARRANTIES CREATED BY COMMON LAW IN ANY JURISDICTION, ARE ALSO EXPRESSLY WAIVED AND DISCLAIMED. THIS LIMITED WARRANTY APPLIES TO THE ORIGINAL PURCHASER OF PRODUCT FROM ACI AND TO ANY SUBSEQUENT PURCHASERS OF THE SAME PRODUCT, BUT THE LIMITED WARRANTY PERIODS COMMENCE TO RUN ON THE DATE ACI'S PRODUCTS ARE DELIVERED TO THE INITIAL PURCHASER.

All consequential damages, including, but not limited to, costs of repair, costs of recall, costs of replacement, costs of correction, costs of removal, costs of disassembly, costs for failure analysis, costs for fault isolation, costs for reinstallation, costs for reinspection and costs for retrofit, are excluded by this Limited Warranty.

Information in ACI's descriptive literature is based on product specifications that are current at the time of publication. Product specifications, designs, and literature will change from time to time, as improvements are introduced and, therefore, in such case, ACI reserves the right to substitute such improved product for delivery to the purchaser prior to the dissemination of updated descriptive literature.

All products that are returned to ACI must be accompanied with a Return Authorization Number which can be obtained by calling, faxing, emailing, or using ACI's online RMA program on ACI's website prior to returning the product at http://orders.workaci.com/ACI/ACI_Customer_Login.aspx.

Before ACI will ship replacement product in advance ("Advance Replacements") the customer must issue a new purchase order. Once defective parts are returned to ACI by the customer and, if they are found to be covered by ACI's warranties, a credit will be issued to customer against the Advance Replacement purchase order.
